

# St. Amant Conference

## Developmental Disabilities and Autism

October 9th and 10th      Winnipeg, Canada

# 2008 CALL FOR PAPERS

The St. Amant Conference invites you to share your expertise and experience by submitting proposals for presentations, posters and workshops for possible inclusion in the 17th annual conference.

Western Canada's premiere conference on developmental disabilities and autism returns October 9-10, 2008. The St. Amant Conference attracts about 450 individuals from across North America, including educators, researchers, self-advocates, family members, service providers and health professionals. The conference is hosted by St. Amant, a comprehensive organization based in Winnipeg that serves individuals with a developmental disability or autism.

Programming will be presented in FOUR age-based streams: pre-school, school age, adult and senior. Proposals can focus on Autism, Innovative Practices, Practical Training, Self Advocacy and Wellness.

Be an integral part of the St. Amant Conference 2008 by submitting a proposal.
